

SPRING 2018 Statewide ASD Seminars: **REGISTRATION OPEN** Comprehensive Functional Behavioral Assessment (FBA) Training

BAS Communication Number: BAW18-10

PURPOSE: To communicate that **registration is open** for upcoming free statewide professional training opportunities: **Comprehensive FBA Training**, provided by the Bureau of Autism Services Clinical Team

ASD Seminar: Comprehensive FBA Training

AUDIENCE: This training is designed for professionals who are responsible for conducting behavioral assessment and planning for individuals across the lifespan, in any system.

TRAINING DESCRIPTION: This free training will review the foundations of behavioral support with a focus on the process of Functional Behavioral Assessment (FBA). Steps of the FBA process will be presented for the purpose of practical application. These steps include: Data Collection, Data Analysis, and Data-Based Recommendations. Potential pitfalls and methods to control for these implications will also be shared.

PREREQUISITE

All registrants are expected to view a 20-minute foundational, prerequisite video prior to attending the session. The video is posted within the registration system (see instructions below).

DOCUMENTATION OF ATTENDANCE AND COURSE COMPLETION

- A generic **Certificate of Attendance** will be provided onsite for those who attend the in-person training.
- Attendees of the in-person training have the option of applying this training toward fulfilling the **BAS-approved FBA Training requirement** within BHRS, the Adult Autism Waiver, ACAP and the ID/A Consolidated, P/FDS and Community Living waivers.
- This training is also approved for six (6) hours in the Assessments content area toward the ACT 62 Behavior Specialist License.

To receive a *Certificate of Completion* and meet the BAS-approved FBA Training requirement, attendees must complete four components:

1. view the prerequisite video;
2. attend the instructor-led training;
3. complete the evaluation; and
4. pass the required online post-test.*

**Please note that the post-test for this FBA Training has been designed specifically to evaluate your understanding of the content presented in the prerequisite video as well as during the instructor-led session. It is not the same post-test that is taken by professionals who complete the 13-hour BAS FBA training with an approved trainer.*
