FROM: Bureau of Human Services Licensing, Division of Adult Protective Services

PURPOSE

To notify employees and administrators of facilities (including an organization or group of people that uses public funds and is paid, in part, to provide care and support to adults in a licensed or unlicensed setting) of the mandatory reporting requirements set forth in the Adult Protective Services (APS) Act. Forms and instructions are available on the Department's website at www.dhs.pa.gov under Report Abuse>Adult Protective Services.

BACKGROUND

In 2010, the APS Act was implemented to provide for the protection of abused, neglected, exploited or abandoned adults. The APS Act protects residents of this Commonwealth between 18 and 59 years of age who have a physical or mental impairment that substantially limits one or more major life activities. This notice applies to individuals falling within this population only.

IMMEDIATE ACTION

An administrator or employee of a facility who observes suspected abuse, neglect, exploitation or abandonment or has reasonable cause to suspect that abuse or neglect has occurred will immediately assure the recipient's health and safety. After assisting the recipient, an employee or administrator will follow the reporting requirements set forth in the APS Act.

REPORTING REQUIREMENTS

A. General Requirements

1. An administrator or employee who has reasonable cause to suspect that a recipient is a victim of abuse, neglect, exploitation or abandonment will immediately make an oral report to the statewide Protective Services Hotline by calling **1-800-490-8505**. Once the report is made it will be referred to the APS agency (Liberty Healthcare). Please note this hotline should only be used for reporting abuse, neglect, exploitation and abandonment. Any questions should be emailed to RA-PWAPSQuestions@pa.gov or please call 717-736-7116. Any questions requiring immediate attention outside of regular business hours should be directed to Liberty Healthcare's on call staff at **1-888-243-6561**. Please note this number should only be used for emergency situations requiring immediate attention.

2. Within 48 hours of making the oral report to the hotline, the administrator or employee will fax a written report to **484-434-1590** or email the report to Liberty Healthcare at: mandatoryron@libertyhealth.com. The written report can be one of the following:
 - The mandatory reporting form found on the Department's website at www.dhs.pa.gov under Report Abuse>Adult Protective Services;
 - An administrator or employee of a nursing facility, licensed by Department of Health, may submit a PB-22 form; or
 - An administrator or employee may submit a Home and Community Services Information System (HCSIS) incident report (Printable Summary) or an Enterprise Incident Management (EIM) report.
3. An administrator or employee of a facility will continue to follow all other required reporting and incident management regulations, policies, and procedures.

B. Additional Reporting Requirements as required by the Adult Protective Services Law

In addition to the general reporting requirements in section A, an administrator or employee who has reasonable cause to suspect that a recipient is the victim of sexual abuse, serious injury, serious bodily injury or that a death is suspicious, will also:

1. Immediately make an oral report to law enforcement officials. An employee will also immediately notify the facility administrator or a designee following a report to law enforcement officials, unless such notification would jeopardize the investigation or subject the recipient to further risk.
2. Immediately make an oral report to the Department of Human Services/Adult Protective Services Division by calling the mandatory abuse reporting line at **717-265-7887** and **selecting option #3**. Provide the following information:
 - a. The caller's name and telephone number
 - b. The name and license number (if applicable) of the facility
 - c. The alleged victim's name (please spell the victim's name)
 - d. The alleged victim's date of birth
 - e. The type(s) of alleged abuse or neglect
 - f. The date and time of the oral report to law enforcement officials.
3. Within 48 hours of making the oral report to law enforcement, the administrator or employee will send a written report to law enforcement. The written report can be one of the following:
 - The mandatory reporting form found on the Department's website at www.dhs.pa.gov under Report Abuse>Adult Protective Services;
 - An administrator or employee of a nursing facility, licensed by Department of Health, may submit a PB-22 form; or

- An administrator or employee may submit a Home and Community Services Information System (HCSIS) incident report (Printable Summary) or an Enterprise Incident Management (EIM) report.
