AUDIENCE:

All Interested Parties

PURPOSE:

The Office of Developmental Programs (ODP) is excited to announce the launch of MyODP News Online, an online site that replaces our monthly newsletter with a resource containing real time online news that is most pertinent to our stakeholders.

DISCUSSION:

MyODP News Online is now available via MyODP.org. Through [this link](#), stakeholders will receive relevant news and information as it happens. Readers may subscribe to an RSS feed, and eventually may share articles through social media. Past content remains available online.

Stakeholders that previously received the monthly newsletter via listserv will now receive MyODP News Online Weekly Digest. The digest is sent each Friday and contains all of the week's posted news in abstract. Individuals who received SAU1's self-advocate edited version of the monthly newsletter will continue to receive that publication via regular mail.

Readers may send inquiries or suggest story ideas to ra-pwmyodp@pa.gov.
