Understanding the Community HealthChoices Waiver Program

Webinar Recording and Slides Now Available

On March 26, **Pennsylvania Assistive Technology Foundation** and **Pennsylvania Health Law Project** hosted a webinar on Community HealthChoices (CHC), Pennsylvania's new waiver program for people with physical disabilities or a brain injury, and older Pennsylvanians.

This webinar covered:

- WHAT CHC is and WHO may enroll.
- HOW individuals with disabilities and seniors can join CHC.
- WHAT services are available in the CHC Medicaid Waiver.
- HOW to get the services you need through CHC and HOW to challenge service denials.

Now available as part of the CHC Toolkit:

- Webinar Recording

- Webinar Slides and Outline
- Infographics and informational handouts about CHC are also still available

Coming Soon:

- Webinar Transcript
- Webinar Questions & Answers
