

Making Employment Work ACRE Basic Certification Training The Arc of Pennsylvania

The Arc of Pennsylvania's Making Employment Work course is an ACRE Basic Certification Training. In order to receive certification, participants must attend a 3-day, live webinar training and then complete a self-paced, online curriculum. Completing this certification course will qualify individuals to provide Supported Employment services with Pennsylvania's Office of Vocational Rehabilitation and Office of Developmental Programs. Our training combines lessons learned from traditional Supported Employment and Customized Employment techniques. Course topics include:

- History and values of supported employment services
- Individualized assessments and employment/career planning with an overview of Discovery
- Community research and job development with an overview of Customized Employment
- Developing workplace and related supports with an overview of Systematic Instruction

When: Live webinar training takes place on May 18-20, 2020 from 9am to 11am and 1pm to 3pm. The rest of the course is self-paced and will begin after the conclusion of lectures on May 20th.

Where: This training will be done completely online.

Who is this for: Providers of Supported Employment Services

Price: \$150 per person
