April 6 Webinars CERC and CDC, Plus Tools and Resources from CDC

CERC Overview for COVID-19

The right message at the right time from the right person can save lives. Health communication professionals, public officials, and others working to share information during the novel coronavirus outbreak can apply Crisis and Emergency Risk Communication (CERC) principles to more effectively develop and share COVID-19 messages. Join CDC's CERC program on April 6, 2020 at 1 p.m. to learn more about using CERC principles to help fight the spread of COVID-19. Closed captioning will be available.

More information on this webinar, previous CERC webinars, and continuing education can be found on the [CERC Webinar Website](#)
