

## **EVV Public Meeting Update**

DHS provided updated information regarding EVV implementation in PA in a webcast today, April 24, 2020. Complete information reviewed can be found in the [slide presentation](#). Highlights include:

- DHS applied for and received the Good Faith Effort Exemption from CMS.
- Allows for up to an additional year for EVV implementation
- The exemption expires January 1, 2021
- Providers are still expected to implement and use EVV now.

**As of October 1, 2020, provider payments will be denied without corresponding EVV data.**

**The [EVV Compliance Survey](#) for providers is now due by June 1, 2020.**

- We need **every provider** to complete this survey.
- Providers should complete for **each** MPI#.
- This information allows us to determine what assistance providers may need prior to October 1, 2020.
- The survey is approximately 6 questions and should take 10 minutes to complete.

During the certification process it is important that providers check their email frequently, and also check their spam in case important information is directed to that mailbox.
