Free Training for ICF Staff at ANCOR's Virtual Conference Tuesday, April 28, 2020

Active Treatment During A Pandemic: Individuals who reside at ICF's need daily training, supervision, and supports to ensure that their independence and skills are, at the very least, maintained. Explore lessons learned and approaches to supporting others when physical distancing is a necessity, and every interaction increases the risk of virus spread.
Tuesday, April 28, 2020, at 2:00 PM [EST](#).

Much of the content will be geared toward the frontline staff within ICF's to include: QIDP's, Home/Program Managers, DSP's, and other direct care staff. Please extend this **no-cost opportunity** to your employees who work within your ICF's.

Presenters: Catherine Thibedeau and Than Johnson
