Office of Developmental Programs Individual Transition Guide

The Individual Transition Guide is to be used by a support team to collect information concerning preparations necessary for the time when stay at home orders related to the COVID-19 pandemic are lifted. The guide contains questions and resources the team can use to support an individual's transition to a desired setting.

Friday, May 15, 2020
10:00 – 11:00 am
All Stakeholders Session

This GoTo Webinar will be recorded and available at the following location 48 hours after the Webinar concludes: [Individual Transition Guide Webinar \(All Stakeholders Session\)](#)

Pre-registration is required. Use the linked title above to register. Once registered, you will receive an email with instructions describing how to participate including a new link to join the meeting. You can join the audio portion of the webinar by telephone or computer.

If you have questions please send an email to RA-PWODP_OUTREACH@pa.gov.
