ODP Releases 2018-2019 Annual Comprehensive Employment Report

ODP released this information mid-March, just before life the way we knew it changed overnight. Due to the urgency and the amount of information we were sharing since that time, this report was temporarily set aside.

The Office of Developmental Programs (ODP) is pleased to announce the release of the second Annual Comprehensive Employment report. ODP created this report to share data with individuals, families, advocates, providers, government officials, and taxpayers. ODP is committed to supporting individuals with an intellectual disability or autism to achieve their goals towards competitive integrated employment.
