Rehabilitation Services Administration FAQs

The Rehabilitation Services Administration (RSA) issued [new guidance in the form of FAQs](#) on May 14, 2020, to address issues faced by providers during the COVID-19 pandemic.

Issues discussed in this document include subjects such as; How may VR agencies address signature requirements and adhere to the time frames for eligibility determinations and development of individualized plans for employment (IPE) given the challenges associated with agency operations during the COVID-19 pandemic? What alternatives to face-to-face service delivery are available to VR agencies? How may VR agencies handle the interruption of pre-employment transition services for students with disabilities during the COVID-19 pandemic?

Please refer to the document for additional questions and the guidance from RSA.
