## **RCPA Drug and Alcohol Reform Survey**

In previous RCPA Drug and Alcohol (D&A) Committee meetings, it was discussed and agreed that RCPA staff would create a survey to determine which legislation and/or regulations are the most burdensome to our drug and alcohol members. As a follow up to these committee discussions, RCPA has created a [Drug and Alcohol Reform Survey](#). The survey consists of sixteen questions.

RCPA is asking D&A members to complete the [survey](#) **by Friday, June 12**. RCPA staff will then compile the data and have it available for our Tuesday, June 16 Drug and Alcohol Committee meeting. The results of the survey will be shared with the Department of Drug Alcohol Programs Secretary Jennifer Smith and her staff, so the survey results can be discussed with the Secretary and her team during the June committee meeting.

Questions, contact [Jack Phillips](#).
