DDAP Announces ASAM Webinar

UPCOMING ASAM ONLINE PRESENTATIONS

WHEN: Beginning July 7, 2020. [Roll-Out Schedule for ASAM Service Descriptions](#).

WHAT: The next phase of the ASAM Criteria alignment process is to make adjustments to the delivery of services. Treatment providers that are recipients of public funds, including Medicaid and SCA dollars, will be required to make these adjustments. While this will be an ongoing process, these online presentations will begin this next phase of describing the expectations for aligning with the ASAM Criteria, 2013. Therefore, programmatic decision-makers should plan on participating on one of the presentations for each level of care (LoC) related to services delivered.

If you have any questions, please email RA-DAASAM@pa.gov.
