

ABA Permanency Barriers Project

A project of the American Bar Association, Center on Children and the Law

Adolescent Brain Science and Authentic Youth Engagement Webinar

August 6, 2020
10:00 – 11:30 AM

Join us for this FREE webinar sponsored by:

American Bar Association Center on Children and the Law,
Pennsylvania Department of Human Services, Office of Children, Youth and Families and
Pennsylvania Children and Youth Administrators

This webinar will provide attendees (judges, attorneys, and child welfare professionals) with strategies for engaging and working with adolescents.

Presenters, Sneha Barve, Staff Attorney, ABA Center on Children and the Law and Anthony Simpson, former Youth Fostering Change Advocate, will:

- Guide participants through the science of adolescent brain development
- Explain from a youth perspective how the science highlights the importance of authentic youth engagement
- Share resources and tools from the recently released [Adolescent Brain Toolkit for Attorneys](#) designed to assist with engagement of youth in case planning and court hearings

Registration is required: <https://www.americanbar.org/events-cle/mtg/web/401604707/>

The American Bar Association will seek **1.5 hours of Continuing Legal Education Credits** (CLE) for this program. Credit hours are estimated and subject to Pennsylvania approval. Please visit www.americanbar.org/mcle for general information on CLE at the ABA.
