

The Virtual 2020 Pennsylvania Community of Practice Transition Conference Wednesday, July 15, 2020

Each year the [PA Community of Practice Transition Conference](#) brings together a diverse community of stakeholders to share information, explore resources, and gain knowledge regarding successful practices in secondary transition. The conference attracts more than 800 participants annually. Attendees include educators, students, family members, youth leaders, therapists, agency personnel, vocational rehabilitation staff, and many others. The conference will take place virtually on July 15, 2020.

The primary focal points of this year's conference are:

- Promoting success of all youth and young adults by addressing the transition needs of those who are at-risk and struggling
- Empowering families and caregivers with transition knowledge and resources
- Engaging youth and young adults in social interactions and in understanding their potential for post school success
- Building leadership skills of all transition stakeholders to promote successful outcomes of youth and young adults
- Using transition and career assessment, universal design, accommodations, and supports to build the foundation for self-determination and self-advocacy
- Linking transition, behavioral health, and healthy lifestyles to promote success in adult life by empowerment through self-determination and self-advocacy
- Showcasing evidence-based and effective practices with youth outcome data
- Building and supporting community partnerships and local transition coordinating councils

The conference will feature:

- *Keynote presentations*

- *Twenty-four breakout sessions*
- *Family and youth engaging sessions*

On-line Registration

All participants should register for this PaTTAN-sponsored event by visiting our website at: <http://www.pattan.net>. Click training calendar and go to July. If you prefer, you may email the registration form to Paula Quinn, pquinn@pattan.net The Virtual 2020 [PA Community of Practice Transition Conference](#) is a web-based conference which requires each participant to log in separately to each session using the links that will be provided closer to the conference.

Please see [attached](#), [here](#) and /or below for more information.
