

PA Autism Training Conference: Call for Presentation Proposals

The Office of Developmental Programs is requesting proposals that highlight innovation for its 13th annual Pennsylvania Autism Training Conference on September 29 – October 1, 2020. Due to the ongoing pandemic, the conference will be held virtually with an interactive schedule. We are interested to hear from people who have developed and/or effectively implemented models in the following areas:

- Effective Supervision & Mentoring
- Addressing Staff Retention
- Innovative Support Models
- Establishing Models That Embrace Applied
- Behavior Analysis (ABA)
- Teaming and Multi-Disciplinary Approaches to Support
- Novel Approaches to Coordinating Care
- Effective Uses of Data
- Successful Approaches to Engaging Families
- Cross Systems Collaboration
- Remote Services and Supports
- Community Engagement

See the [flier](#) for more information including proposal submission instructions. The deadline for submissions is August 14, 2020.
