

## Behavior Specialists Feedback Requested

## Best Practice Standards In Behavioral Support Draft Now Available For Feedback

The Office of Developmental Programs (ODP) recognizes that effective, quality behavioral support must be grounded in and informed by basic, broadly accepted knowledge and processes. We are looking to disseminate the *Best Practice Standards In Behavioral Support* in an attempt to streamline expectations and practices for those individuals providing behavioral support in ODP programs. The *Best Practice Standards in Behavioral Support* draft document is attached to this email.

### **We need feedback from Behavioral Specialists and Behavioral Specialist Supervisors!**

[A survey](#) has been developed for feedback before the document is finalized. The survey will be available until **09/18/2020**.

**The survey can be completed by [following this link](#).**
