
DDAP Announces SABG Public Comment Period

The Department of Drug and Alcohol Programs is providing the [opportunity for public comment](#) on its annual Pennsylvania Substance Abuse Prevention and Treatment Block Grant submission. This submission will occur in three parts:

- The Substance Abuse Prevention and Treatment (SAPT) Plan which will be submitted to SAMHSA by October 1 and is currently available in draft and available for review by September 30;
- The SAPT Report which will be available in November for comment prior to submission on December 1, and;
- The Annual Synar Report which will also be made available in December for comment prior to submission on December 31.

These documents can be accessed [here](#) utilizing "citizenpa" as your login and "citizen" as your password. Please submit all comments to ra-dabaps@pa.gov by the timeframes indicated.
