
CPS Changes and Additional ODP Webinar Information

The Office of Developmental Programs (ODP) held a webinar reviewing the Appendix K updates on August 28, 2020. During this webinar many additional flexibilities for Community Participation Support (CPS) services were explained. This is the [presentation](#) that was used, and the recorded session can be found [here](#). The operational guide with the details for these changes is still in executive review and will be at least a couple weeks until publication.

Additionally, you can view all of ODP's previous webinars on their website. In light of the current pandemic, ODP has been offering a greater number of online webinars to keep providers, individuals, families, and stakeholders in the loop. All ODP webinars are recorded. ODP's current webinar selection includes topics like General ODP COVID-19 Updates, Transition Planning During COVID-19, Appendix K Updates, CPS/Employment Emerging Practices, and more. To view ODP webinars, please log into their [website](#).
