
JCJC 2020 James Anderson Virtual Conference Calling All Exhibitors

The Juvenile Court Judges Commission (JCJC) is excited to announce that they will be presenting the 2020 James E. Anderson Pennsylvania Conference on Juvenile Justice virtually on November 4-5-6! JCJC invites you to join them as an exhibitor for this virtual event and share your products and services with a wide variety of attendees, including judges, hearing officers, probation staff, attorneys, providers, and other system stakeholders. This year's opening plenary celebrates 10 Years of the Juvenile Justice System Enhancement Strategy (JJSES), and the closing plenary will focus on Implicit Bias. The conference will also host a variety of virtual workshops and it features FREE registration to all participants, presenters, and exhibitors.
