Positive Approaches Journal Available – The Data Issue

The Office of Developmental Programs (ODP) and the Office of Mental Health and Substance Abuse Services (OMHSAS) are pleased to announce that the latest edition of the *Positive Approaches Journal* is now available!

The Data Issue

Data is all around us, and the ways we use data have an important impact on how our world is changing. In this issue of *Positive Approaches*, we bring you a wide array of approaches describing how people are thinking about, using, and displaying data. Woven into each article are tools to help you find data sources, use data, and interpret data in new ways.

This issue of *Positive Approaches Journal* is in digital form. It is available for viewing online or for downloading [here](#).

To print a copy of the PDF, online journal, or a specific article, you will find these options within your left navigation bar on any *Positive Approaches Journal* page. A new window will open with your selected document. In your browser, you may click the print button in the top-left corner of the page or by using the print capability within your browser

Please submit feedback regarding your experience with the *Positive Approaches Journal* on MyODP by clicking the image below within this document or by clicking on the feedback image on MyODP within your left navigation bar on any *Positive Approaches Journal* page.

The *Positive Approaches Journal* is published quarterly. For additional information, please contact this [source](#).
