

## **Medication Administration: Webcast Access and Extended Maintenance ODP Announcement 21-009**

### **AUDIENCE:**

All Interested Parties, Medication Administration Trainers, Medication Administration Students

### **PURPOSE:**

To provide guidance on accessing the Medication Administration Student course and announces that all webcasts are now available. Extended maintenance is required to replace the *Written Documentation* exam quizzes for the Medication Administration Student Courses until January 25, 2021.

### **DISCUSSION**

#### **Student Course (*to Pass Medications*):**

The student course webcasts are now available without Adobe Flash.

- Do not make any adjustments for Adobe Flash to view the webcasts or access the exams. Adobe Flash was discontinued on December 31, 2020.
  - You are able to view all Student course webcasts without the use of Adobe Flash.

Extended maintenance is required to replace Parts 1 and 3 of the *Written Documentation* exam in order to remove Adobe Flash.

- **Please do not attempt the *Written Documentation* exam until January 25, 2021. All other lesson quizzes remain accessible.**

If you run into problems or have additional questions please contact the Medication Administration Help Desk by going to [www.mahelpdesk.com](http://www.mahelpdesk.com).
