The Life Unites Us Campaign is on a mission to reduce stigma around opioid use disorder throughout Pennsylvania.

Join us for this month's webinar where we'll discuss recovery options for those with substance use disorder.

In this webinar, participants will learn about:

- Methadone and the stages of recovery
- Stigma in the way the medical community treats substance use disorder
- Effective terminology to use when discussing substance use disorder in the workplace
- How best to support co-workers and employees at work
