

Building Inclusive Dental Practices Disability Listening Sessions

Oral health is key to overall health. Recently, the American Dental Association included in its Code of Conduct the ***duty to provide dental health care to patients experiencing disabilities.***

Achieva and our partners at the Pennsylvania Coalition for Oral Health want to hear from self-advocates and families about your experiences and concerns in accessing dental care and how we can keep Pennsylvanians with disabilities healthy by building more inclusive dental practices!

Easily register [here](#).
