

You are invited to participate in the Department of Human Services (DHS)

STATEWIDE POSITIVE APPROACHES & PRACTICES MEETING

Jointly hosted by

The Office of Mental Health and Substance Abuse Services (OMHSAS)

and the Office of Developmental Programs (ODP)

Thursday, January 13, 2022

9:00 AM to 3:00 PM

TOPIC

Interagency Collaboration

SESSION DESCRIPTIONS

Going Home with Families: An Interagency Approach

A Department of Human Services initiative to move children with medical complexities from facilities back into the community with families. Will review the collaborative approach used by multiple state offices to remove barriers and positively impact family living.

Development of an Integrated, Jointly Funded Intellectual Disability/Autism (ID/A) and Behavioral Health Residential Program: How One Team Did It

How a specialized community program was developed for a young man living in a psychiatric hospital through multi-system collaboration, the challenges and obstacles that were met, and the team's recommendations for how it can be done by others.

To register for both sessions:
