1/28/2022	1:00 PM - 1:45 PM	<a href="#">Creative Direct Supports Using Technology Series: Employment Supports (Session 1 of 3)</a>	<p>The COVID-19 pandemic has challenged us to provide remote services to some people we support. The good news is that we have learned creative ways to use technology while maintaining quality. This virtual targeted training (VTT) series will share strategies to provide these remote support, when needed. This first session will review strategies, tips, and tools when providing Job Coaching support.</p>	Any professional in the field	Columbus GoTo Webinar
2/7/2022	10:00 AM - 11:15 AM	<a href="#">Using Data to Support People with Dual Diagnoses</a>	<p>Supporting people with Dual Diagnoses (DD) can be challenging, especially when mental health symptoms are setting events for interfering behaviors. This training will discuss considering mental health as a setting event for challenging behaviors through the use of individualized data collection tools such as Likert scales, self-monitoring forms, medication logs, etc. We will take it a step further by discussing the use of these data collection tools to design strategies to incorporate in the behavior support plan.</p>	Behavioral Specialists	GoToWebinar
2/9/2022	1:00 PM - 2:00 PM	<a href="#">Preparing for Life Circumstances</a>	<p>Are you and your teams having conversations about unique life circumstances that can happen, including but not limited to retirement, aging parents, becoming parents themselves, etc.? This training will discuss strategies on how to plan for and support people through these situations.</p>	All Providers	GoToWebinar
2/10/2022	9:00 AM - 1:00 PM	<a href="#">Dual Diagnosis Professional Conference Series Topic: Expressive Therapies – Music and Art</a>	<p>Part 1: Enhancing Engagement through Music Therapy Under current health and safety restrictions, music therapists provide meaningful engagement and interaction despite the challenges of physical distancing for individuals supported in person as well as virtually. The presenters will use musical/song creation, a rhythm and movement activity, a relaxation experience, and lecture to define music therapy and provide interactive opportunities that reflect a music therapy session. Participants will also learn how to obtain services as well as find funding options.</p> <p>Part 2: Art for All: Integrating Art Therapy and Arts-Based Approaches to Support Individuals with Dual Diagnosis A basic introduction to Art Therapy and how it can support individualized, strengths-based care for individuals with dual diagnosis. It will outline ethical ways for non-art therapists to bring therapeutic art making into day-to-day life</p>	all professional stakeholders, including direct and clinical supporters for individuals with ID/A are encouraged to attend.	Columbus Zoom

2/11/2022	1:00 PM - 2:30 PM	<a href="#">A Supports Coordinator's Focus on Employment using Charting the LifeCourse (Putting it all Together)</a>	Supports Coordinators (SCs) will hear a personal experience illustrating how the LifeCourse Framework & Tools helped to change employment. SCs will learn how they can use Charting the LifeCourse (CtLC) to explore options, include family perspective, and to problem solve for employment.	Supports Coordinators	Microsoft Teams
2/11/2022	1:00 PM - 2:30 PM	<a href="#">Human Rights Webinars: Making A Determination</a>	<p>ODP is offering members of Human Rights Teams (HRT) and Human Rights Committees (HRC) webinar training to delve into the process of "MAKING A DETERMINATION."</p> <p>Each session will explore a unique practice scenario and discuss the use of restrictive procedures and whether the proposed intervention is restrictive. Included in the session will be opportunities for in-depth discussion about the process and offer guidance to teams as they evaluate individuals' behavior support plans. We will review the relevant factors to be considered when evaluating potential interventions and determining whether they may be restrictive. The factors to be considered will include:</p> <p>The definition of "restrictive" as limiting rights;</p> <p>The consideration of a restrictive procedure as necessary due to "imminent risk"</p> <p>The importance of using "least restrictive" interventions</p>	Human Rights Teams (HRT) and Human Rights Committees (HRC)	Columbus Zoom
2/14/2022	10:00 AM - 11:30 AM	<a href="#">Adult Autism Waiver (AAW) Updates</a>	The purpose of the meeting is to provide updates on the Adult Autism Waiver, answer questions, and provide technical assistance and support. These meetings are held for all Office of Developmental Programs (ODP) providers and SCs providing AAW services. The Virtual Office Hours (VOH) starts with an overview of any new ODP Announcements and also includes a) highlights of new practices, b) a review of topics and questions sent in advance, and c) a discussion of any concerns that have come up in the past few weeks. Providers and SCs will be able to ask questions directly of AAW Regional Office (RO) Representatives. 2/25/2022	10:00 AM - 10:45 AM	<a href="#">Bureau of Supports for Autism and Special Populations (BSASP) Providers: Putting Resources Into Practice: Incident Management Resource Guide</a>	This training is specific to BSASP providers. Incident management is a critical process for assuring the health and safety of the people you support. In the past year, we have been inundated with incident management communications, trainings, and changes to the Enterprise Incident Management (EIM) system. Are you concerned that you may have missed important information or would benefit from having the information you need related to incident management at your fingertips? If so, the newly developed one-page BSASP Incident Management Resource Guide will be shared. We will provide an opportunity for questions and answers (Q&A) to discuss this resource.
