

Transition Age Youth (12-21) and parent/family caregivers needed for **focus groups!**

A **\$25 Gift Card** will be provided per family. Please help the Pennsylvania Department of Health, Bureau of Family Health find out what is needed to support transition age youth with special health care needs/disabilities. The Bureau is working with PEAL to outreach to families and will be asking questions about transition planning, bullying, safe relationships, and reproductive health and sexuality. Please register here for a date to participate. We are looking for young adults (12-21) to participate by themselves and also for young adults to participate with their family member to support communication.

Registration for Youth Only

Dates (you will choose 1)

Saturday, February 12th, 1 -2:30

Thursday, February 17th, 4-5:30

If you are younger than 18, please ask your parent/guardian to register with you.

REGISTER
