

## HCSIS IE 11/Microsoft Edge ODP Announcement 22-065

### AUDIENCE:

All HCSIS users and stakeholders

### PURPOSE:

The purpose of this communication is to inform HCSIS users of the upcoming disablement of Internet Explorer, and the redirection to Microsoft Edge browser.

### DISCUSSION:

Beginning June 15, 2022, Internet Explorer will no longer be a supported browser for HCSIS. Users will need to use Microsoft Edge to run the application.

Microsoft Edge with IE mode is officially replacing the Internet Explorer 11 desktop application on Windows 10. As a result, the Internet Explorer 11 desktop application will go out of support and be retired on June 15, 2022, for certain versions of Windows 11.
