

## Upcoming Medication Administration Scheduled Outage **ODP Announcement 22-054 UPDATE**

### AUDIENCE:

Medication Administration Trainers

All Interested Parties

### PURPOSE:

To inform all interested parties that the outage for important infrastructural changes to the Medication Administration Training Program will **now be extended through Sunday, August 7, 2022. Trainers will be able to login and register to take the Train the Trainer course on August 8, 2022. Trainers will be able to administer new classes and students will be able to register in the system on September 6, 2022.** If you attempt to conduct a class or complete any training on the system during this outage, your work will be lost.

### DISCUSSION:

All sites related to the Medication Administration Training Program will be unavailable because of scheduled maintenance from **12:00 am, Friday, July 1, 2022 now through Sunday, August 8, 2022.** We apologize for the inconvenience.

The specific sites are:

<https://medsadmin.myodp.org>

<https://matrainer.myodp.org>

<http://mastudent.myodp.org>

The outage is scheduled to begin at **12:00 am, Friday, July 1, 2022.** If you are able to access the course after 12:00 am that morning, please note that the system may become unavailable at any time later that morning, **without additional notice.** That means that if you are working in the system after this date and time, the system could suddenly become unavailable and your work would be lost.

**\*Please do not access the system after the scheduled outage period begins. \***

Please click on one of the following links for updates on this outage:

<https://harrisburg.temple.edu/grants/medication-administration-training-program>

<https://www.myodp.org/mod/page/view.php?id=21841>

[www.mahelpdesk.com](http://www.mahelpdesk.com)

This outage will allow for important infrastructural and content changes.

During this period, you will be able to access the above links as a resource for information about the outage. After the outage has concluded you will be able to use the above links to learn how to access the updated sites. **There will be a new way to access the Medication Administration sites once access to the system has resumed. The previous sites will no longer work.**

#### Medication Administration Student Course

Certified trainers will be able to continue to teach the student course during this outage by utilizing links which will allow your students to view the medication administration webcasts. You will then be able to administer the exams on paper. Email your requests to: [maexam@temple.edu](mailto:maexam@temple.edu). **Please continue to administer student courses outside of the system through September 5, 2022. Student course availability will be available on September 6, 2022. We apologize for the inconvenience.**

#### Medication Administration Online Courses

Trainers and Students should no longer begin the online Train-the-Trainer course or the Medication Administration Course **no later than June 3, 2022**. Trainer and Students must **successfully** complete (pass) the online course and all online quizzes and exams by **11:00 pm on June 30, 2022**.

**\*\* \*\*Anyone who has not finished the course including the Face-to-Face and Lesson 12 as well as the exams by June 30, 2022 at 11:00 p.m. will lose all work that they have completed up to that point and will have to restart the course once the outage is over and the course re-opens on August 8, 2022. Incomplete coursework will not be migrated to the updated system.**
