Hello-

My name is Jennifer Radick, and I am the Vocational Rehabilitation Specialist with Central Office at Pennsylvania Office of Vocational Rehabilitation (OVR) that specializes in the Ticket to Work Program and Benefits Counseling/Planning. OVR has updated the Benefits Planning Provider Agreement, to include 2 more services, as well as some updated language. The document attached includes the full agreement, along with example templates for the deliverables for each service.

If after reviewing this agreement, you are interested in becoming an OVR Benefits Planning Provider, but have questions, please do not hesitate to contact me. My contact information is below in my signature line.

If you have no additional questions and are interested in becoming an OVR Benefits Planning Provider and you are located in Pennsylvania, please submit the required documentation as per the Agreement to your [local OVR District Office](#). If you are located out-of-state, then please submit the required documentation directly to me.

I look forward to working with you, should you decide to become a provider of this very important service to our customers.

Sincerely,

A handwritten signature in black ink that reads "Jennifer Radick, MS, CRC". The signature is written in a cursive style.
