CPS Service System Capacity

This survey is meant to collect current data from Community Participation Services (CPS) providers on CPS capacity across the ODP service system. The data collected via this survey will be used to assess, **by CPS provider service location**, the following:

- Provider capacity and potential for growth
- Strategies being used to increase capacity
- How ODP can assist CPS providers with increasing capacity
- Guidance needed for AEs, SCOs, CPS providers, and individuals/families regarding resuming CPS
