“DATA EVERY JUVENILE COURT JUDGE SHOULD KNOW
(HINT: AND IS CURRENTLY AVAILABLE)”
(Judges and Juvenile Court Hearing Officers Only)

Pennsylvania has one of the most robust juvenile justice data systems in the country, however, most juvenile court judges and juvenile court hearing officers are unaware of the various data available to them. During this session, staff from the Juvenile Court Judges’ Commission will demonstrate the Pennsylvania Juvenile Case Management System (PaJCMS), and state-of-the-art digital dashboards specifically developed for juvenile court judges. These dashboards are designed to provide judges with real-time data, and will cover a broad array of topics, such as the use of secure detention and placement, lengths of time youth are outside the home, and the timeliness of court processing. A portion of this training will also cover recent statutory and procedural rule updates that directly impact juvenile court judges and hearing officers. At the end of the session, attendees will have a greater understanding of the various reports, dashboards, and other types of information available to them to assist in data-driven and fundamentally fair decision-making.

- PROFESSIONAL CAUCUSES2:00PM–3:30PM
- Join with colleagues from within your juvenile justice system area of specialty to discuss issues of mutual concern and interest. Individual caucuses will be held for chief juvenile probation officers, juvenile probation supervisors, juvenile probation officers, service providers, and victim service providers. These facilitated caucuses will be highly interactive and offer participants the opportunity to discuss critical issues and needs for the future.
- CHIEF JUVENILE PROBATION OFFICER/
SERVICE PROVIDER FORUM 3:45PM–5:00PM
- YOUTH AWARDS PROGRAM & DINNER5:30PM

Will Kiefer

Will Kiefer is the Founder and Executive Director of the Bench Mark Program, a strength-based mentoring program for at-risk youth. Bench Mark uses a trauma-informed approach to help youth achieve fitness, scholastic, and career-related goals. Will has a passion for working with at-risk youth and spends the majority of his time growing and developing the Bench Mark Program to better serve the youth in his community.

Nate Luvice, a Behavioral Specialist at SESI Schools, first joined Bench Mark as a youth participant. Nate was an at-risk youth engaging in delinquent behaviors which caused him to experience a life-altering injury due to gun violence. Following this injury, Nate decided to make changes to his life, and joined the Bench Mark Program. Subsequently, Nate was offered the opportunity to join the Bench Mark staff as their Student Services Coordinator. Since then, Nate has used his experience at the Bench Mark Program to grow professionally and give back to his community.
