

Date	Time	Title	Description of Session/Summary	Audience
12/1/2022	1:00pm-2:30pm	<a href="#">Heightened Scrutiny Public Comment Webinar</a>	Presenters will go over the process ODP used to identify provider service locations subject to Heightened Scrutiny and determine whether each service location identified meets waiver and regulatory requirements. Presenters will also discuss the general information available in ODP's service location summaries. There will be time during the session for presenters to answer questions submitted by participants during the webinar and for participants to provide public comment.	All interested Parties
12/6/2022	1:00pm-2:30pm	<a href="#">Infectious Disease Connect (IDC) Townhall (Western)</a>	These sessions are a townhall style educational session for infectious disease related topics. The topic for this session is Holiday gatherings, Norovirus, food safety and more.	All Interested Parties
12/7/2022	12:00pm-1:00pm	<a href="#">Collaboration between Behavioral Specialists and Support Coordinators in AAW</a>	In the Adult Autism Waiver, there are many opportunities for Supports Coordinators and Behavioral Specialists to work collaboratively, while maintaining their unique roles. This training will explore how these services can align efforts during the assessment, plan development, and implementation phases of service delivery. Please note that while other programs in ODP may have similar opportunities for collaboration, this information will be tailored to AAW, specifically.	AAW providers
12/7/2022	1:00pm-2:30pm	<a href="#">Infectious Disease Connect (IDC) Townhall (Northeast Region)</a>	These sessions are a townhall style educational session for infectious disease related topics. The topic for this session is Holiday gatherings, Norovirus, food safety and more.	All Interested Parties
12/13/2022	1:00pm-2:00pm	<a href="#">Technology Taskforce Virtual Roadshow: Technology to Support and Enhance Communication</a>	Please join us for an upcoming Virtual Road Show series "Technology to Support Independence in PA!" People from all backgrounds will be sharing their personal stories and experiences with exploring how technology can support and improve everyday lives. Each session will include scheduled presentations and plenty of time for group conversation, questions, and feedback. Please bring your own experiences to share, so we can learn from each other!	All interested Parties
