

## Health Risk Screening Tool (HRST) Protocol Update ODP Announcement 22-116

### **AUDIENCE:**

All interested parties

### **PURPOSE:**

The Office of Developmental Programs (ODP) is releasing updated protocols for the Health Risk Screening Tool.

### **DISCUSSION:**

In May 2019, ODP released the first Protocol for the Health Risk Screening Tool (HRST) aimed at establishing a statewide implementation plan. The accompanying document is an update to the previously released protocol for HRST. It contains information regarding expectations, timelines, and reflects changes in the process since the initial protocol was distributed. Additionally, it provides guidance regarding roles and responsibilities for those expected to use the tool.
