To communicate that registration for the January – June 2023 CI Initial Certification Course classes (also known as cohorts) are now open on MyODP.

#### **DISCUSSION**

The Initial CI Certification Course was created to ensure that all incidents requiring an investigation receive a systematic review that meets established standards. To perform investigations, the CI candidate must successfully complete all requirements of the CI Initial Certification Course. Due to continued concerns regarding COVID-19, **the January – June 2023 CI Initial Certification cohorts of the course will be provided virtually rather than in person.**

The Initial Certification process consists of:

- Verification of your general qualifications (completed by your Office of Developmental Programs'[ODP]-affiliated employer/sponsor)
- Four (4) scheduled Zoom sessions, each lasting 3.5 hours
- Online webcasts, quizzes, and other homework assignments
- Online exam
