

Supporting Families Survey 2023

Who should take this anonymous survey?

- People who receive support of any kind from a Supports Coordinator (SC) who some people call a case manager or case worker.
- Family members of people who receive support of any kind from an SC.

How will this survey help?

- The survey results will help us to learn whether people and their families have the information and support they need when and how they need it.
- Your answers will help improvements be made by the Office of Developmental Programs (ODP) and local service partners.

Can I have help taking the survey? Yes!

- You can ask someone to help you.
- You can also email ra-pwodp_outreach@pa.gov to request help. Give your name and a phone number to reach you and someone will call you to read you the questions and enter your responses.

How long will this survey take?

- We believe it will take you about 10 minutes to answer the survey questions.
