Spanish interpreter available  
intérprete simultanea disponible

## Description

Come learn how people with Intellectual and Developmental Disabilities are using new technology to gain independence and self-determination.

**Everyone uses technology and so can you!**

## Sessions include:

- ▶ Staying Safe on the Internet
- ▶ Setting Up a Smart Home
- ▶ Remote Supports: Staff Are Just a Phone Call Away
- ▶ Using Technology to Get a Job
- ▶ How to Apply for the \$30/mo Affordable Connectivity Program
- ▶ Artificial Intelligence and ChatGPT
- ▶ How Can Alexa Voice Assistant Help You?

**And many more coming...**
