

Office of Long-Term Living (OLTL) Listen and Learn Sessions

BEGINNING June 2023,

OLTL will hold Listen and Learn Sessions with OLTL program participants across Pennsylvania. If you are receiving Medical Assistance (MA) coverage or long-term services and supports through the Community HealthChoices (CHC), OBRA, Act 150, or Living Independence for the Elderly (LIFE) programs, please join us to share your thoughts on the programs. OLTL would like to hear from and speak with our program participants, family members, and community members with the goal of gathering input OLTL can act on to improve the programs.

The OLTL Listen and Learn Sessions are an opportunity for OLTL program participants, family members, and community members to share their feedback on OLTL programs and hear from OLTL staff.

A list of sessions by region has been provided on the following pages. Some sessions will be held in person, while others will be held virtually using Microsoft Teams. Remote captioning will be available for the virtual sessions.

SPACE IS LIMITED. If you are not planning to attend alone, we request that only one additional person accompany you. All locations reserve the right to limit or turn away attendee's if capacity becomes an issue. Any accommodation requests, such as for an American Sign Language (ASL) interpreter, should be made with the hosting location at least 10 days in advance.
