

Deaf, Hard of Hearing, DeafBlind Listening Sessions

The Office of Developmental Programs (ODP) is interested in gathering feedback and information from the Deaf Disabled community about an ASL-English Interpreter service. ODP is considering interpreting as a possible service in the waiver programs for individuals with intellectual disabilities or autism.

Your feedback will give ODP a better understanding of the needs of the Deaf Disabled community here in Pennsylvania.

ODP will be hosting three sessions to gather feedback.

All sessions will be conducted in American Sign Language.

August 2nd, Noon to 2pm

4550 McKnight Rd, Pittsburgh
First floor training room

Stay tuned for other session locations.

**Space is limited.
