Adaptable tools for behavioral health workflows

Comprehensive. Modular. Rapidly Expandable.

- **Case & Client Management**
- **Mobile Dispatch**
- **Real-time Bed Availability**
- **Staff Scheduling**
- **Outcome Reporting**
- **Plus your unique workflows...**

Solving the workforce challenge

Rapid: Deploy the modules your team and community need.

Adaptable: Create new tools for emerging priorities or local needs.

Integrated: Compatible with your existing EHR and IT infrastructure.

Let's Talk
