

## **Recording Available: *Residential Individual Support Plan (ISP) Staffing: It's About the Person, Not the Numbers***

### **ODP Announcement 24-010**

#### **AUDIENCE:**

Providers of Residential Services in the Office of Developmental Programs' (ODP) Intellectual Disability and Autism (ID/A) Waivers.

#### **PURPOSE:**

To announce the posting of a recording and transcript from the November 30, 2023 webinar, *Residential Individual Support Plan (ISP) Staffing: It's About the Person, Not the Numbers*.

#### **DISCUSSION:**

On November 30, 2023, ODP held a webinar for Provider leadership to clarify expectations for the implementation of the Residential ISP Staffing approach. Executive Leadership from Residential Provider agencies who participated in the 2019 pilot discussed their experiences in implementing the approach and provided insight into how their agencies supported organizational change to facilitate implementation of the approach.

A recording and transcript of that webinar is now available on MyODP at the following link: [\*\*Residential ISP Staffing for Provider Leadership - 11-30-2023 Webinar Recording\*\*](#). The recording can be used for four credit hours towards the yearly training requirement.
