

COMMONWEALTH OF PENNSYLVANIA

PROCLAMATION BY THE GOVERNOR

WHEREAS, an acquired brain injury includes both traumatic and non-traumatic brain injuries, and that many mild and moderate traumatic brain injuries and non-traumatic brain injuries go undiagnosed and untreated; and

WHEREAS, traumatic and non-traumatic brain injuries result in impairment of cognitive abilities, physical functioning, or behavioral or emotional wellbeing; and

WHEREAS, more than 543,000 children and adults are living with a disability due to traumatic brain injury in Pennsylvania; and

WHEREAS, approximately one fourth of shaken baby syndrome victims die as a result of direct brain injuries and survivors of shaken baby syndrome suffer permanent neurological damage; and

WHEREAS, more than 185,000 Veterans who have been diagnosed with at least one traumatic brain injury; and

WHEREAS, approximately 50% of individuals receiving treatment for substance abuse have a history of at least one brain injury; and

WHEREAS, individuals who sustain a brain injury require extensive support by providers and caregivers with a thorough understanding of brain injury so that those affected may live an independent lifestyle and meet their life-long goals; and

WHEREAS, the Pennsylvania Department of Health in cooperation with various partners and stakeholders within the brain injury community are committed to enhancing the lives of those living with brain injuries by providing rehabilitation, education, awareness, and advocacy.

THEREFORE, I, Josh Shapiro, Governor of the Commonwealth of Pennsylvania, do hereby proclaim March 2024 to be

BRAIN INJURY AWARENESS MONTH

I encourage all Pennsylvanians to recognize the value and importance of brain injury prevention and awareness.

GIVEN under my hand and the Seal of the Governor, at the City of Harrisburg, this twentieth day of February two thousand twenty-four, the year of the Commonwealth the two hundred forty-eighth.

Governor Josh Shapiro
