

Provider Preparedness Toolkit Now Available on MyODP

ODP Announcement 24-047

AUDIENCE:

- ODP Residential Providers
- Other interested parties

PURPOSE:

The purpose of this communication is to announce the availability of the provider preparedness toolkit for Performance Based Contracting.

DISCUSSION:

The provider preparedness toolkit is being published as a resource for residential providers to use in order to plan for implementation of Performance Based Contracting. The toolkit includes information that will detail specifics for residential providers on required reporting for all performance measures, data sources, review periods, and data collection methods. Additionally, the toolkit contains a workplan that can be used by residential providers to identify operational needs in order to meet tier standards.

QUESTIONS:

All questions regarding the toolkit materials should be sent to RA-PWODP_OUTREACH@pa.gov.
