Join us for an insightful webinar with Bi Collaborative & Millin Associates where we will showcase how our solutions can elevate your performance standards and help you meet state requirements effectively.

**Join to see how our solution can help you with compliance, quality, risk management, supporting individuals with complex needs, and more!**

## Why iCareManager?

We are more than just an EHR; we are your partner in navigating the new world of Performance-Based Contracting. Let us help you meet and exceed state mandates while enhancing the care you provide.
