

32nd Annual Forensic Conference

Submit a Presentation Proposal

Drexel's Division of Behavioral Healthcare Education will be hosting the 32nd Annual Forensic Conference, which will be held virtually on December 4–5, 2024. The Conference Committee invites you to submit an abstract for a 60-minute workshop, which will consist of 50 minutes of presentation and 10 minutes for Q&A. All presenters will be able to attend the full conference free of charge. Presenters are encouraged to illustrate this year's theme in their proposal:

Forensic Treatment: What We Know Myths or Facts

The deadline to submit proposals is August 31, 2024. All proposals will be considered, but only a limited number can be selected. Notifications of proposal acceptance will be emailed by September 30, 2024

We are excited about this year's event and hope you will join us as a presenter!

Please provide the following information via email to Anna Auch, aa45@drexel.edu.
Information can be typed directly below and submitted as a Word document.

1. Provide the title of your workshop:
2. Provide the name, degree, position, agency, address, phone number and email address of each presenter.
3. Describe your proposal in 60-75 words. This description will be used in conference materials, and it should be clear, concise, and specific.
4. List three educational objectives for your presentation. Please use the [APA guidelines](#) to assist you in writing effective objectives.

DREXEL UNIVERSITY

Division of Behavioral Healthcare Education

College of Medicine

5. Level of the presentation:

- Introductory/Beginner Intermediate Advanced All levels

6. Please provide a one-page resume or CV of each presenter.

7. List nominations for the Forensic Rights and Treatment Conference Award.

 [Award Nomination Referral Form.docx](#)

8. Do you prefer a live webinar or a pre-recorded session?

- Live webinar Pre-recorded session

Please note these basic IT requirements and best practices for your presentation:

- Live webinars will be hosted by Drexel University via Zoom. Please ensure that you have a:
 - Wired connection to the internet or strong wireless connection
 - Webcam
 - Microphone
 - Well-lit environment free of distractions, especially operating overhead ceiling fans, that could interfere with your presentation
