

Now Available: Guide for *Using the Incident Management Overview Dashboard to Assess Performance Based Contracting Measures* **ODP Announcement 24-082**

AUDIENCE:

Intellectual Disability/Autism (ID/A) Providers

PURPOSE:

To advise providers of the availability of the Office of Developmental Programs' *Using the Incident Management Overview Dashboard to Assess Performance Based Contracting (PBC) Measures RM-IM.01.2, .01.3, and .01.4* guide on MyODP.

DISCUSSION:

Using the Incident Management Overview Dashboard to Assess Performance Based Contracting (PBC) Measures RM-IM.01.2, .01.3, and .01.4 has been developed to provide guidance to providers in the following areas:

- Accessing the Incident Reporting Overview Dashboard
- Dashboard functions that can be used to assess Performance Based Contracting (PBC) measures RM-IM.01.2, .01.3, and .01.4
 - Filters
 - Incidents with Extensions Key Performance Indicator (KPI)
 - First Section and Final Section Doughnut Charts
- Descriptions of Incident First Section Submission, Finalized/Finalization, and Closed

- Step by step instructions that demonstrate how to use the Dashboard to assess PBC measures RM-IM.01.2, .01.3, and .01.4

The guide can be found on MyODP at [Performance-Based Contracting – MyODP](#) in the Data Folder.
