Office of Developmental Programs' (ODP) American Rescue Plan Act (ARPA) Grant Fund Reimbursement
ODP Announcement 22-083 UPDATE

AUDIENCE:

- o   Providers
- o   Supports Coordination Organizations (SCOs)

PURPOSE:

To provide information about ARPA grant fund reimbursement. **Updates in red.**

DISCUSSION:

ODP providers with approved ARPA Grant applications should use the following survey to request reimbursement for expenses incurred. Reimbursement for Technology Grants may consist of one progress payment and one final payment. Reimbursement for Training/Credentialing and Business Associate Grants may include up to two progress payments and one final payment. **ODP has extended the deadline for spending the approved ARPA grant funding for these initiatives to March 31, 2025. To recognize the previous spending deadline, providers who submit a request for final payment by October 31, 2024, may receive final payment up to the originally approved plan amount beginning November 2024.**

Prior to beginning the survey, providers should ensure that supporting documentation (paid invoices, cancelled checks, accounting records, etc.) is available and scanned into a pdf format. These documents will need to be attached at the end of the survey. Providers should generally expect to see payments a few weeks following ODP review of submitted information

All expenses need to be incurred on or before March 31, 2025.

Final deadline for reimbursement request submission is May 31, 2025. The survey closes on May 31, 2025 and no additional requests for reimbursement will be reviewed after this date.

As a reminder, only ODP providers with approved ARPA Grant applications should use the following survey to request reimbursement for expenses incurred. ODP is no longer accepting new applications.
