### AUDIENCE:

All interested parties

### PURPOSE:

The purpose of this announcement is to inform stakeholders that corrected rates for select services rendered through the Office of Developmental Programs (ODP) have been published in the *Pennsylvania Bulletin*.

### DISCUSSION:

On August 31, 2024, final Fee Schedule Rates for services funded through the Consolidated, Community Living, Person/Family Directed Support (P/FDS), and Adult Autism Waivers were published in the *Pennsylvania Bulletin*. After the notice was issued, ODP realized that corrections were needed to several of the rates. ODP Communication 24-087 was published on September 4, 2024, informing interested persons of the errors, that corrected rates were available at <https://www.pa.gov/en/agencies/dhs/resources/for-providers/developmental-programs-for-providers/odp-rates.html>, and that a notice with the correct rates would be published.

The public notice regarding the corrected rates can be found in the *Pennsylvania Bulletin*, Volume 54, Number 44, published on Saturday, November 2, 2024 at [Pennsylvania Bulletin](#).
