Showcase365 Podcast Featuring Pennsylvania's Supporting Families Team

The LifeCourse Nexus, the national program led by the University of Missouri Kansas City (UMKC), released the latest episode of its *Showcase365* podcast, which features Pennsylvania's Supporting Families team. Episode 4, titled *Supporting Families Together in Pennsylvania*, features an interview with ODP's Statewide Supporting Families Lead Candida Walton and Pennsylvania Family Network (PAFN)

Director Francine Hogan. The discussion centers around Pennsylvania's continued efforts in supporting the families of individuals with intellectual and developmental disabilities and/or autism and how the advocacy work of families in the Commonwealth have made a true difference.
