Bridging Connections 4 Employment: Regional Planning for the Future

**Wednesday, July 30, 2025 (8:00 AM - 12:00 PM)
Nittany Lion Inn, State College, PA**

This interactive session will bring together Connecting for Employment regional teams to collaboratively assess the current landscape of agency functioning, identify barriers and successes, and develop actionable plans for the 2025-26 school year. Using the Charting the LifeCourse (CtLC) framework, teams will engage in guided discussions and problem-solving activities to strengthen regional coordination and enhance transition outcomes for youth with disabilities. Participants will also take part in state community mapping work aligned with the Pathways to Partnership (P2P) grant deliverables to support effective interagency collaboration.

Target Audience

Connecting for Employment Regional Teams, including educators, agency representatives, and stakeholders involved in transition planning.

Breakfast & Lunch will be provided at the Nittany Lion Inn.
